2019-2020 Faculty Council and FEC Meetings

The 2019-2020 schedule of Faculty Council and Faculty Executive Committee (FEC) meetings is available on the [Faculty Governance website](#). The first FEC meeting will be held Thursday, September 5, 2019, at 1:00 PM in Reese 211. The first Faculty Council meeting will be held Thursday, September 26, 2019, at 1:00 PM in Cameron 101. The deadline for placing items on the agenda is approximately one week prior to the actual meeting date. Since most items must also go through one of our faculty governance committees for their review and recommendations, the entire cycle should be considered in meeting your organization's needs.

Dean Reynolds Microscope Collection

Atkins Library is hosting an exhibit of [Dean Thomas Reynolds' collection](#) of antique and vintage microscopes. The exhibit, "Beyond the Scope: The Microscope in History," focuses on 19th century English microscopy, which Reynolds' believes to be the "Golden Age". He hopes to inspire others to appreciate the workmanship of these examples of early technology. The microscopes are on display now on Atkins Library's main floor exhibit space.

Eight Receive Reynolds Fellowship

Students representing a wide range of educational disciplines received this year's Thomas L. Reynolds Graduate Student Research Award. Eight students received the Reynolds Fellowship, created by its namesake, Associate Provost and Graduate School Dean Tom Reynolds, to assist with the costs that are overlooked in other funding sources and to help students stay focused on their research goals. For more details on the recipients, please visit the [Graduate School webpage](#).

Dissertation Defenses

The dissertation defense is one of the ways a new scholar demonstrates readiness to join the academy and is an opportunity to share their research widely. [View All Dissertation Defense Announcements](#)
